

Serving the community since 1977

MEMBERSHIP for 2014

We invite you to join our Association by becoming a member in 2014 (we also offer the options of two or five year membership). Membership is open to anyone over 15 years of age who normally resides in Kensington, including those residing on the other sides of the perimeter roads, namely Kensington Road, Portrush Road, The Parade and Shipsters Road. Persons not meeting the residential criteria may become Associate Members.

During 2013 Kensington Residents' Association:

- **planted more locally indigenous species along the northern fence from Thornton Street and around two significant Redgums and other parts of the park as part of our ongoing biodiversity project in Borthwick Park;**
- **planted more locally indigenous species in Pioneer Park;**
- **initiated action to try to ensure long term security for the Kensington Pool;**
- **communicated and consulted widely with our members on issues of local importance and advocated to Council and Government on behalf of residents on heritage matters, development issues, traffic, environmental and parks and gardens matters;**
- **through the Arts Group, organised a film night at the Kensington Pool on Australia Day, a literature night at the Rising Sun Inn and Community Christmas Carol Singing around our streets;**
- **organised a fifth day of Kensington garage sales.**

Please show your support by completing the Membership Application below, then detach and return to the Association.

In 2014 amongst other activities we will:

continue to voice community concerns to protect heritage buildings and preserve the character of Kensington; extend the biodiversity plantings in Borthwick Park and Pioneer Park; organise a day of garage sales; and support a variety of arts projects.
